*Welcome to Go Guitar Tuition, inspiring creativity and musicianship.  
Our aim is to inspire life long enjoyment of the musical process  
through guitar playing.*

### What We Offer

30 lessons over one academic year. We provide 10 half hour lessons a period.

Expert tutors who have all the necessary documentation for working with young people (DBS).

A timetable for the student to take home detailing exactly where and when the lessons will be.

Tuition in all styles of guitar in a group size of your choice.

### Enrolment Process

Fill in the back page and send it to Go Guitar Tuition, 8 Haydon Road, Didcot, Oxfordshire, OX11 7JD. Do not send any money with this form. As soon as the form is received we will contact you and inform you of what we can offer you at that time. When you receive contact from one of our teachers you may find this the ideal time to ask any questions you have from an expert concerning instruments and lesson content. Most lessons are in groups and we will ask you to choose a group size.

If there are not enough students to secure your chosen group size you can either choose a different size or be placed on a waiting list until such a time arises that we have enough students to start a group. It may be possible to join an already existing group if the student is of a similar standard.

### **Tuition Fees 2020-2021**

Prices per period – 10 lessons per period. Charging Period 1 (Sept-Dec)  
Period 2 (Jan-Apr) Period 3 (Apr-July)

Group size	4-7	3	2	Individual
Price	£110	£140	£150	£265

We will try to give you the group size you want but this may need to be negotiated according to demand at that time. It is often the case that beginners benefit from learning in a group environment. We will try to start beginners in a group of 4-7 wherever possible. It may be that you choose to stay on a waiting list until we have the group size you want.

### **Payment**

Once we have received your enrolment form and agreed your group size you will receive a request for payment for the coming period. If lessons start mid way through a period you will be charged a percentage of the fee for that period. Payment must be received before lessons commence.

Alternatively, you can fill out this form and post to Russ Payne, Go Guitar Tuition, 8 Haydon Road, Didcot, Oxfordshire, OX11 7JD

Once lessons commence it is assumed that the student is enrolled until notice is given to stop tuition. You will be invoiced before the start of each term unless you are paying annually.

Refunds will not be offered if a student decides to stop after a few lessons or if they fail to attend their lessons through illness, school trips or any other reason.

If the group size changes through no fault of your own, the price of the lesson will stay the same for the remainder of the academic year.

Ideally payments should be made by BACS transfer or by standing order to Mr RD Payne, Lloyds 30-92-32 A/C 01298138.

### **Attendance & Timetabling**

If a primary school student fails to turn up the teacher will make every effort to track the student down. However at secondary schools this is not normally possible. If a student cannot attend we would ask that they let the teacher know. If a student fails to attend two lessons in a row parents will be contacted.

Lessons are normally offered within the school day. Go Guitar Tuition makes every attempt to be as flexible as possible but we are unable to offer people a chosen day or timeslot. Lessons are normally timetabled through negotiation with the school and the Go Guitar Tuition tutor, who may be visiting multiple locations on any school day.

### **Other Costs**

You will be expected to supply an instrument and accompanying equipment (plectrums, leads). You will also be expected to buy any books the teacher feels is appropriate for the group or student.

Most beginners should ideally start on a nylon strung classical guitar regardless of what style of music they wish to play. This is because nylon strings are easier to press down (especially for primary school aged children).

We do not hire out guitars, however entry level guitars are relatively cheap. We would advise you to buy from a music shop as opposed to the internet or large chain store.

**Exams** – Students can take accredited exams from grade 1 if they wish, although it isn't compulsory. Students taking electric or acoustic guitar exams are put through Rock School, who accommodate a range of modern styles. Current fees for these exams can be found on the following websites – [www.rslawards.com](http://www.rslawards.com).
