

THE ORATORY

# MORE GREENHOUSE

We are not, and do not aspire to be, an academic hothouse. Think of us more as a greenhouse, where growth and flourishing happen naturally in a place of joy and safety. **We see the best in people, so that each finds a place at the top of *their* tree.**

*"We chose The Oratory because it is a small nurturing school where the individual really matters." – Parent*

THE ORATORY

# MORE CONFIDENCE

We remain, quite deliberately, small enough that we can know every one of our students in the way that their parents know them – their hopes and fears, their enthusiasms and trepidations. **We have created an atmosphere that is challenging yet not intimidating, because education here happens one student at a time.**
