

Woodcote Primary School Broadening horizons every day

Your Contribution Matters

We are committed to providing the highest quality educational experience for our children. While we work hard to manage costs, the needs of our school often exceed the funding we receive from local government and FOWPS fundraising events.

To continue fostering a vibrant, thriving learning environment, we are inviting voluntary contributions from our community. This approach is in line with many other schools in the local area and helps ensure we can offer the best possible opportunities for our students.

Your generous support can help us to:

- ★ Provide updated materials and technology
- ★ Ensure a safe and welcoming environment for our children
- ★ Enhance our sports, arts, and academic clubs

We understand that every financial situation is different, and any amount you can contribute will make a significant difference. If you are able to help, please visit Payments in ParentMail or contact the office for more details. Payments can be made as a one off or as a regular standing order.

Thank you for your continued support and commitment to our school. Together, we can create a brighter future for our students, broadening horizons, every day.

Please click the Payments link in ParentMail for details on how to make a payment.
