Email address _____

To notify the winner and runners-up. This can be a school/organisation email address if preferred.

Christmas Card Competition Rules

As your Police & Crime Commissioner I send lots of Christmas cards and I'd love my card to be designed by a child from our area.

After receiving hundreds of entries last year I'm excited to launch my 2026 Christmas Card Competition for primary school-aged children across Thames Valley.

The competition is open to all children up to the age of 11 and the winner's design will be featured on the front of the card.

Please create your entry on entry form enclosed (more copied can be downloaded and printed at www.matthewbarber.co.uk/christmascard) using pencils, pens, or paint, but please avoid glitter, stickers and digital designs.

1. All entries must be submitted no later than 12 noon on Friday 27th November 2026.
2. Please send hard copies by post to PCC Christmas Card Competition, Orchard View, Church Street, West Hanney, OX12 0LW, or good quality digital photographs or scans to matthew@matthewbarber.co.uk by **Friday 27th November 2026**.
3. Please ensure you include an email address in order to contact the winner and runners-up. This may be a school or organisation email address if you prefer.
4. The winner and runners-up will be notified no later than Monday 1st December 2025.
5. The designs will also be published online and on social media, along with the name and school/organisation of the winner and runners-up.
6. Originals sadly cannot be returned.
7. Entry is limited to one per child.
8. By submitting an entry to the competition, participants agree that their artwork can be used as the Christmas card for Matthew Barber and that it can be reproduced in local media and local literature, online and on social media.
9. The winner will receive a professionally printed version of their artwork.
